Chris Mar 07, 2010 3.0 I love this game. It is not a very long one so I have found it a bit of a challenge in that aspect but once you have it down it is a great time killer. This is one of those games that you play when you have a few minutes on your hands and its such a relaxing time as its not very demanding. I highly recommend this to anyone that is looking for a game to keep them entertained for a few minutes. I love this game.
