I've been having a rough month. My mom just passed away and I moved out of my home to a new city where I have yet to find a good cable plan. It's been up and down but I'm slowly starting to get adjusted to the city. Anyway, back to business. On this week's show, we're joined by comedian and Phil Knight-Eisner fellow Keith Bohrkamp. He also plays in a Canadian band called Can I Be Danny. We talk all about his music career, his time with Stan Lee, the upcoming launch of the Wichita Film Festival, and his one on one with the photographer Adam Jack. The crew also breaks down this week's polls, including who they think will win the big stage shows at the Royal Rumble, which event they'd like to see in their city, and which WWE personality they'd like to see interviewed on the next podcast. Keep in mind that the results of the polls don't necessarily reflects the opinion of myself and my fellow hosts at What Culture. They are meant for discussion, so don't be mad if you see yourself getting disqualified. If you'd like to submit a question for the poll on the next show, hit us up on Twitter or email us at wcw@maximumfun.org With due respect, Steve Guests: Keith Bohrkamp (Comedian/ Musician/ Filmmaker) Adam Jack (Photographer) Heather Anne (Wichita Film Festival) C
